WORD ON THE STREET

A really excellent addition to our events programme offering something totally different, whilst remaining hugely popular with both students and public. Meticulously organised by Rachael and her team, with all the Health & Safety considerations paramount throughout the delivery of the event.

Dave Evans, 53 Degrees, UCLAN, Preston

Myself and my mates had a fantastic time at Superfunk Roller Disco last night. Nearly everyone has made an effort to go in fancy dress, the roller skates were groovy, the skate marshals were a great help in getting us out on the dancefloor and showing us some basic moves. The music was oh so funky, and by the end of the night we were rollin' around safely and boppin' our pink disco socks off!
